Concordia is pleased to announce that we will hold a Summit on the Americas in partnership with Americas Society/Council of the Americas at Miami Dade College on May 12-13, 2016. The Summit will serve as a high-level gathering of public and private sector leaders to address the pressing political and economic priorities of the region by touching on topics including democracy, energy, trade, security, and immigration. This event will serve as a precursor, idea incubator, and partnership generator in advance of Concordia's annual Summit in New York City in September.
